SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the Management of Canoel International Energy Ltd. (the "Corporation") for use at the Annual and Special Meeting (the "Meeting") of shareholders of the Corporation (the "Shareholders") to be held on October 21, 2011, at the time and place and for the purposes set forth in the accompanying Notice of Annual meeting of Shareholders ("Notice of Meeting") and at any adjournment or adjournments thereof. The solicitation of proxies will be made primarily by mail but proxies may also be solicited personally or by telephone or other means, by directors, officers or employees of the Corporation to whom no additional compensation will be paid for so doing. The cost of the solicitation will be borne by the Corporation.

PERSONS MAKING THE SOLICITATION

The enclosed Proxy Form is solicited by and on behalf of the Board of Directors of the Corporation. The cost of solicitation by the Board of Directors will be borne by the Corporation. As well, proxies will be solicited by mail and may also be solicited personally or by telephone by the directors or officers of the Corporation, who will not be specifically remunerated therefor.

The Corporation may pay the reasonable costs incurred by persons who are the registered but not beneficial owners of voting securities of the Corporation (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of this Information Circular, the Notice of Meeting and Proxy Form to the beneficial owners of such securities. The Corporation will provide, without cost to such persons, upon request to the applicable company, additional copies of the foregoing documents required for this purpose.

REVOCAION OF PROXIES

A Shareholder who has submitted a proxy may revoke it. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing signed by the Shareholder or his attorney authorized in writing, or, if the Shareholder is a corporation, signed under its corporate seal or by an officer or attorney of the corporation authorized in writing, and depositing the instrument either at the Registered Office of the Corporation or at the office of Olympia Trust Company, Suite 2300, 125 — 9th Avenue S.E., Calgary, Alberta, T2G 0P6, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof at which the proxy

is to be used. Upon such deposit the proxy will be revoked as to any matter in respect of which a vote has not already been cast.

PROXY INSTRUCTIONS

Mr. Andrea Cattaneo and Mr. Dario Sodero, the persons named in the form of proxy enclosed with the Notice of the Meeting, are respectively the President & CEO of the Corporation as well as a member of the Board of Directors of the Corporation. Shareholders have the right to appoint some other person (who need not be a shareholder of the Corporation) to represent them at the meeting. To exercise that right, a shareholder may either insert the name of the desired representative in the blank space provided in the form of proxy enclosed with the Notice of the Meeting, or submit another form of proxy appointing the desired representative. Proxies will not be valid unless received by Olympia Trust Company at its offices at Suite 2300, 125 — 9th Avenue S.E., Calgary, Alberta, T2G 0P6, not later than forty-eight (48) hours, excluding Saturdays and holidays, before the time set for the meeting or any adjournment thereof at which the proxy is to be used. **The proxy must be in writing and must be signed by the shareholder or his attorney authorized in writing, or, if the shareholder is a corporation, the proxy must be signed under its corporate seal or by a duly authorized officer or attorney of the corporation authorized in writing.**

The form of proxy enclosed with the Notice of the Meeting affords a means for shareholders to specify that their shares will be voted or withheld from voting on the election of directors and the appointment of auditors and to specify that their shares will be voted for or against all other business identified in the Notice of the Meeting. If appointed proxy, Mr. Cattaneo or Mr. Sodero will vote the shares or withhold from voting the shares as specified by the shareholder on any ballot that may be called for. **The shares will be voted "for" each matter for which no specification has been given. The form of proxy enclosed with the Notice of the Meeting confers discretionary authority upon the person appointed proxy thereunder to vote on amendments or variations to matters identified in the Notice of the Meeting, and on other matters which may properly come before the Meeting.** At the date of this Information Circular, Management of the Corporation knows of no such amendment, variation or other matter which may come before the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The only outstanding voting securities of the Corporation are common shares of which 41,359,458 common shares are outstanding as at September 14, 2011, each entitling the holder to one vote.

The Board of Directors of the Corporation has fixed the close of business on the September 21, 2011 as the record date (the "**Record Date**"), for determination of the registered holders of common shares entitled to receive notice of the Meeting. The Corporation will prepare a list of the names of, and the number of shares held by, each shareholder who is entitled to receive notice of the Meeting. At the Meeting a Shareholder will be entitled to vote the shares shown opposite that Shareholder's name on the list except to the extent that the Shareholder has transferred any shares after the Record Date and the transferee produces properly endorsed share certificates, or otherwise establishes ownership of such shares and demands the inclusion of the transferee's name in the list of shareholders not later than 10 days before the date of the Meeting.

To the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, controls or directs, directly or indirectly, more than 10% of the common shares of the Corporation except:

Name	No. of Shares Owned, Controlled or Directed	Percentage of Class
CDS & Co.*	23,585,284	53.4%

* Beneficial ownership, control and direction are unknown.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information in this section is of significant importance to shareholders who do not hold their common shares in their own name ("**Beneficial Shareholders**"). Beneficial Shareholders should note that only proxies deposited by registered holders of common shares (those whose names appear on the records of the Corporation as the registered holders of common shares) can be recognized and acted upon at the Meeting. If the common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the name of the shareholder on the records of the Corporation. Common shares listed in an account statement will more likely be registered under the name of the Shareholder's broker or their broker's agent. In Canada, the vast majority of shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common shares held by brokers or their agents or nominees can only be voted as instructed by the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting common shares held for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that the common shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Services, Inc. ("**Broadridge**"). Broadridge typically mails a scannable Voting Instruction Form in lieu of the form of proxy. The Beneficial Shareholder is asked to complete and return the Voting Instruction Form to Broadridge by mail or facsimile or to call a toll-free number or visit a website to give voting instructions electronically. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. A Beneficial Shareholder receiving a Voting Instruction Form cannot use that Voting Instruction Form to vote common shares directly at the Meeting. The Voting Instruction Form must be returned as directed by Broadridge or voting instructions must be given electronically well in advance of the Meeting in order to have the common shares voted.

If you are a Beneficial Shareholder and wish to vote in person at the Meeting, you should contact your broker or agent well in advance of the Meeting to determine how you can do so.

QUORUM

Under the Corporation's By-Laws, as amended, a quorum for the transaction of business at any meeting of Shareholders is present if two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to vote at the Meeting.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Corporation has a Remuneration Committee consisting of Messrs. Lopez-Portillo, Larre and Regis Milano. All of these individuals are independent in that they are neither employees nor executive officers of the Corporation or any of its affiliates. Mr. Regis Milano is the Chair of the Remuneration Committee. The role of the Remuneration Committee is to assist the Board of Directors in its oversight role with respect to the Corporation's global human resources strategy, policies and programs and with respect to all matters relating to proper utilization of human resources within the Corporation, with special focus on management succession, development and compensation.

The Corporation entered into a formal executive compensation plan with its President and Chief Executive Officer, pursuant to a Consulting Agreement. This compensation plan consisted of fees of \$64,800 per year, stock options granted under the Corporation's Stock Option Plan, a benefit in the form of a payment by the Corporation of an annual life insurance premium of US\$5000 wherein his heirs are the beneficiaries, and a future bonus plan. This Consulting Agreement terminated on March 31, 2011.

As of March 31, 2011 the President and Chief Executive officer shall be compensated with a monthly salary of \$12,500, with the option that up to fifty percent of the monthly salary be taken in shares in the event that, in the opinion of the Board, the cash position of the Corporation has deteriorated to a point where solvent trading is likely to be comprised. The new compensation plan consists of a 12 month duration, with a 12 month rolling notice period. A review of the compensation plan shall be undertaken at the end of each financial year end.

In setting executive compensation the Board of Directors takes into consideration the balance between the Corporation's capacity to pay cash compensation, the need to offer competitive compensation packages in order to attract and retain qualified individuals, and short and long-term compensation objectives.

Salary

Base salaries are established by the Board of Directors on the recommendation of the Remuneration Committee after negotiation with the executive and taking into consideration the executive's duties, performance and experience. Although the Corporation does not have a policy regarding bonuses, bonuses may be used to provide short term compensation to executives to recognize both individual performance, overall performance of the Corporation and to provide additional compensation where, due to limited financial resources, the Corporation has been unable to pay appropriate levels of compensation in prior periods. Bonuses, if awarded, will be in amounts determined at the discretion of the Board of Directors on the recommendation of the Remuneration Committee and may be paid in cash or otherwise as determined by the Board of Directors.

Stock Options

Stock options are awarded as a long-term incentive that includes the opportunity for gain based on overall performance of Corporation and to align the interests of board members and an executive with the interests of the Shareholders of the Corporation. Options are granted by the Board of Directors based on the recommendation of the Remuneration Committee and the Board's assessment of the appropriate level of incentive having regard to the duties, performance, experience and overall

compensation of the option holder. Option grants are made having regard to the number of options previously granted to the executive and the appropriate level of overall incentive for the executive.

STRUCTURE AND OPERATIONS

The affirmative vote of a majority of the members of the Audit Committee participating in any meeting of the Audit Committee is necessary for the adoption of any resolution.

The Audit Committee shall meet as often as it determines, but not less frequently than quarterly. The Committee shall report to the Board of Directors on its activities after each of its meetings at which time minutes of the prior Committee meeting shall be tabled for the Board.

The Audit Committee shall review and assess the adequacy of this Charter periodically and, where necessary, will recommend changes to the Board of Directors for its approval.

The Audit Committee is expected to establish and maintain free and open communication with management and the independent auditor and shall periodically meet separately with each of them.

SPECIFIC DUTIES

Oversight of the Independent Auditor

- Make recommendations to the board for the appointment and replacement of the independent auditor.

The independent auditor shall report directly to the Audit Committee.

AUDIT COMMITTEE'S ROLE

The Audit Committee has the oversight role set out in this Charter. Management, the Board of Directors, the independent auditor and the internal auditor (if any) all play important roles in respect of compliance and the preparation and presentation of financial information. Management is responsible for compliance and the preparation of financial statements and periodic reports. Management is responsible for ensuring the Corporation's financial statements and disclosures are complete, accurate, in accordance with generally accepted accounting principles and applicable laws. The Board of Directors in its oversight role is responsible for ensuring that management fulfills its responsibilities. The independent auditor, following the completion of its annual audit, opines on the presentation, in all material respects, of the financial position and results of operations of the Corporation in accordance with Canadian generally accepted accounting principles.

FUNDING FOR INDEPENDENT AUDITOR AND RETENTION OF OTHER INDEPENDENT ADVISORS

The Corporation shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of issuing an audit report and to any advisors retained by the Audit Committee. The Audit Committee shall also have the authority to retain such other independent advisors as it may from time to time deem necessary or advisable for its purposes and the payment of compensation therefore shall also be funded by the Corporation.

Approval of Audit and Remitted Non-Audit Services Provided by External Auditors

Over the course of any year there will be two levels of approvals that will be provided. The first is the existing annual Audit Committee approval of the audit engagement and identifiable permitted non-audit

services for the coming year. The second is in-year Audit Committee pre-approvals of proposed audit and permitted non-audit services as they arise.

Any proposed audit and permitted non-audit services to be provided by the External Auditor to the Corporation or its subsidiaries must receive prior approval from the Audit Committee, in accordance with this Protocol. The Chief Financial Officer shall act as the primary contact to receive and assess any proposed engagements from the External Auditor.

Following receipt and initial review for eligibility by the primary contacts, a proposal would then be forwarded to the Audit Committee for review and confirmation that a proposed engagement is permitted.

In the majority of such instances, proposals may be received and considered by the Chair of the Audit Committee (or such other member of the Audit Committee who may be delegated authority to approve audit and permitted non-audit services), for approval of the proposal on behalf of the Audit Committee. The Audit Committee Chair will then inform the Audit Committee of any approvals granted at the next scheduled meeting.

4. Eligibility

The Board of Directors may at any time and from time to time designate those Optionees who are to be granted an Option pursuant to the Plan and grant an Option to such Optionee. Subject to Exchange Policies and the limitations contained herein, the Board of Directors is authorized to provide for the grant and exercise of Options on such terms (which may vary as between Options) as it shall determine. No Option shall be granted to any person except upon recommendation of the Board of Directors. A person who has been granted an Option may, if he is otherwise eligible and if permitted by Exchange Policies, be granted an additional Option or Options if the Board of Directors shall so determine. Subject to Exchange Policies, the Corporation shall represent that the Optionee is a bona fide Employee, Consultant or

Management Company Employee (as such terms are defined in Exchange Policies) in respect of Options granted to such Optionees.

5. Participation

Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Optionee's relationship or employment with the Corporation.

Notwithstanding any express or implied term of this Plan or any Option to the contrary, the granting of an Option pursuant to the Plan shall in no way be construed as conferring on any Optionee any right with respect to continuance as a director, officer, employee or consultant of the Corporation or any subsidiary of the Corporation.

Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a director or officer of or a consultant to the Corporation or any of its subsidiaries, where the Optionee at the same time becomes or continues to be a director, officer or full-time employee of or a consultant to the Corporation or any of its subsidiaries.

Options will not be granted to an officer, employee or consultant of the Corporation, unless such Participant is a bona fide officer, employee or consultant of the Corporation.

No Optionee shall have any of the rights of a shareholder of the Corporation in respect to Common Shares issuable on exercise of an Option until such Common Shares shall have been paid for in full and issued by the Corporation on exercise of the Option, pursuant to this Plan.

6. Shares Subject to Options

The number of authorized but unissued Common Shares that may be issued upon the exercise of Options granted under the Plan at any time plus the number of Common Shares reserved for issuance under outstanding incentive stock options otherwise granted by the Corporation shall not exceed 10% of the issued and outstanding Common Shares as at the closing of the initial public offering of the Common Shares. Unless the Corporation receives the permission of the stock exchange or exchanges on which the Shares are listed to exceed such threshold, the Options granted under the Plan together with all of the Corporation's other previously established stock option plans or grants, shall not result at any time in:

- (a) the number of Common Shares reserved for issuance pursuant to Options granted to Insiders exceeding 10% of the issued and outstanding Common Shares;
- (b) the grant to Insiders within a 12 month period, of a number of Options exceeding 10% of the outstanding Common Shares; or
- (c) the grant to any one (1) Optionee within a twelve month period, of a number of Options exceeding 5% of the issued and outstanding Common Shares.

Subject to Exchange Policies, the aggregate number of Common Shares reserved for issuance to any one (1) Optionee under Options granted in any 12 month period shall not exceed 5% of the issued and outstanding Common Shares determined at the date of grant (or 2% of the issued and outstanding Common Shares in the case of an Optionee who is a Consultant (as such terms

are defined in Exchange Policies)). The aggregate number of Options granted to Persons employed to provide Investor Relations Activities must not exceed 2% of the issued and outstanding Common Shares in any 12 month period determined at the date of the grant.

Appropriate adjustments shall be made as set forth in Section 14 hereof, in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Corporation.

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of the Plan.

7. Option Agreement

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the "**Stock Option Agreement**"). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

8. Option Period and Exercise Price

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which shall be the date of the expiry of the Option Period (the "**Expiry Date**"), subject to earlier termination as provided in Sections 10 and 11 hereof.

Subject to Exchange Policies and any limitations imposed by any relevant regulatory authority, the exercise price of an Option granted under the Plan shall be as determined by the Board of Directors when such Option is granted and shall be an amount at least equal to the Discounted Market Price of the Common Shares.

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, subject to Sections 10 and 11 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Common Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require the person exercising such Option to represent and warrant at the time of any such exercise that the Common Shares are being purchased only for investment and without any present intention to sell or distribute such Common Shares if, in the opinion of counsel for the Corporation, such a representation is required by law.

10. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, the Optionee may, but only within ninety (90) days after the Optionee's ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the Plan.

11. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death.

12. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of the Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

13. Takeover or Change of Control

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

14. Anti-Dilution of the Option

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;
- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change;
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised

the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

15. Costs

The Corporation shall pay all costs of administering the Plan.

16. Termination and Amendment

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, solely in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.
- (b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 16(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Corporation if required by the Exchange or such regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.
- (c) The Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

17. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein.

18. Effective Date

This Plan shall become effective as of and from, and the effective date of the Plan shall be February 3, 2008, subject to receipt of all necessary regulatory approvals.

APPENDIX C

CORPORATE GOVERNANCE DISCLOSURE

GENERAL

The Board of Directors believes that good corporate governance improves corporate performance and benefits all shareholders. While it is the responsibility of the Corporation to develop its own corporate governance practices, National Policy 58-201 - *Corporate Governance Guidelines* ("**NP 58 201**") provides guidelines to be considered in developing those practices. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**") requires annual disclosure of the Corporation's corporate governance practices. The following discussion sets out the Corporation's approach to certain aspects of corporate governance as required by NI 58-101

BOARD OF DIRECTORS

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Corporation's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

Management has been delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Corporation's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board of Directors facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its Audit Committee, the Board of Directors examines, among other things, the effectiveness of the Corporation's internal control processes and management information systems. The Board of Directors as a whole reviews executive compensation and recommends stock option grants.

The independent non-executive members of the Board of Directors of the Corporation are:

Jose Ramon Lopez-Portillo
Luigi (Gino) Regis Milano
Dario Sodero
Francesco Zofrea
Eric Larre

The non-independent director is:

Andrea Cattaneo

The Board of Directors has a majority of independent non-executive directors.

The Board of Directors has not developed any specific orientation procedures for new directors or continuing education procedures for current directors.

ETHICAL BUSINESS CONDUCT

The Board of Directors has not developed specific procedures to promote a culture of ethical business conduct. Applicable laws impose duties on individual Directors to act honestly and in good faith with a view to the best interests of the Corporation. The Corporation's governing legislation also places restriction on an individual Director's participation in decisions of the Board of Directors where the Director has a personal interest. In view of these obligations and restrictions, the Board of Directors has not developed specific procedures to promote a culture of ethical conduct and believes that this is appropriate in view of the Corporation's size and stage of development.

NOMINATION OF DIRECTORS

Prior to recommending nominee Directors to shareholders at the Corporation's Annual General Meeting, the Board of Directors as a whole considers the number of Directors and the skills and experience required to carry out the Board's duties effectively. The Board does not have a separate nominating committee.

COMPENSATION

The Board of Directors on the recommendation of its Remuneration Committee determines compensation for the Directors and the President and Chief Executive Officer.

OTHER BOARD COMMITTEES

The Corporate Governance Committee's mandate includes: (i) identify individuals qualified and suitable to become Board members and make recommendations to the Board in that regard; (ii) assist the Board of Directors in its oversight role with respect to the development of the Corporation's corporate governance policies, practices and processes, the effectiveness of the Board of Directors and its committees, and the contributions of individual Directors; (iii) review on a periodic basis the composition of the Board members ensuring that an appropriate number of directors sit on the Board, as well as analyzing what competencies and skills the board, as a whole, should possess; and (iv) assess what competencies and skills each existing director possess.
